Madhav M Nair

Backend Developer

✉ madhavnair700@gmail.com 📞 +91 8547758202 🌐 maxtac.tech in theoneandonlyshadow

I am studying at Presidency University, pusuing BCA. Started learning Node.js since 2019. I have collaborated with a team of developers on a Discord automation bot (2021 - 2024), where I implemented user security and worked on API management. I am part of the Presidency Launchpad Association where I have worked in 2 startups. I believe in maximum effort over luck.
